

THEY'VE EARNED THEIR STRIPES

These volunteers have definitely earned their stripes with all of the hard work that they have dedicated towards the completion of the renovations to Auroara the Tiger's enclosure. Old fencing was cleared of vines or torn down completely, trees were removed and trimmed, holes were dug, fill dirt and rocks were spread, new fencing and hotwire was installed and the entire enclosure was painted with rust preventing paint (the most tedious and time consuming task of all) Thanks everyone, this was a big task!
