

## PAPERCUT PANTHERS

These wonderful volunteers are Wednesday night regulars and give their time after hours each week in the office. They maintain tedious administrative tasks including; data entry, filing, shredding, and hand-writing thank you notes to our supporters. Thanks so much for your consistent help!

## THE EARLY BIRD...

This group of Big Cat Rescuers have really dug right in to collecting items for this year's Big Cat Bargain Sale at the Fur Ball by sending out solicitation letters to hundreds of businesses. Way to go, keep it up!

## XTRA! XTRA!

These guys and gals really left an impression on the Volunteer Committee during past month for their xtra special projects that they have been working on. Thanks for being so dedicated, your GR-R-R-REAT!

**LAUREN EBANKS** - She is always ready and willing to help out with any project whether with tours, admin duties in the gift shop, cleaning, or landscaping. She greets each project with a wonderful positive attitude.

**DOUG FISHER, LAURA LASSITER, & RACHEL PIPITONE** - These volunteers have really made an impact on keeping the data entry up to date. This project is tedious and very time consuming, but is so very important as it keeps Big Cat Rescue in touch with thousands of visitors.
